

CHAITANYA KUMAR MUKKOLLU

Project Coordinator | PMP Certified

+1 (437) 818-4918 | chku871@gmail.com | Markham, ON | linkedin.com/in/chaitanya-kumar-mukkollu

PROFESSIONAL SUMMARY

PMP-certified Project Coordinator with 4+ years of experience supporting software implementations, industrial hardware deployments, vendor coordination, stakeholder communication, risk tracking, and go-live execution. Experienced coordinating 10+ vendors and field engineers across 75+ customer sites, supporting a 150+ machine fleet, and improving equipment uptime through proactive maintenance planning. Known for structured reporting, clear escalation, and keeping cross-functional teams aligned from requirements through post-implementation support.

CERTIFICATIONS

Project Management Professional (PMP) - Project Management Institute | Issued April 2026 | Credential ID: 4366477

CORE COMPETENCIES

Delivery	Project coordination, requirements gathering, scope definition, schedule management, milestone tracking, go-live execution, post-implementation support
Stakeholders	Cross-functional coordination, vendor accountability, customer communication, escalation management, distributed team coordination
Reporting	Status reports, KPI dashboards, technical documentation, SOW-aligned proposals, audit records, budget tracking
Tools	Jira, Microsoft Project, Microsoft Teams, SharePoint, Excel dashboards and reporting, CRM systems
Technical	Software implementation support, hardware deployment, field installation coordination, SolidWorks, AutoCAD, BOM management

PROFESSIONAL EXPERIENCE

Technical Project Coordinator | Tech Rangers Consulting Services, Toronto, ON | Jan 2025 - Present

- Coordinate 3+ concurrent software implementation projects, aligning data architects, developers, business stakeholders, and client teams from requirements through go-live.
- Manage scope items, schedules, status updates, risks, and stakeholder follow-ups to keep delivery milestones visible and actionable.
- Serve as a single point of contact for stakeholder questions, translating technical requirements into clear business decisions and next steps.
- Built post-go-live performance monitoring dashboards to improve issue visibility, reduce handover friction, and support client adoption.
- Standardized project reporting cadence and update formats across internal teams and client-facing engagements.

Project Coordinator - Product Support | Gmmco LTD, Caterpillar's Largest Dealer in India | Aug 2019 - Aug 2022

- Coordinated hardware deployment, maintenance planning, parts logistics, and field support for 150+ mining and construction machines across 75+ customer sites.
- Managed 10+ vendors and 6 service engineers, tracking commitments, resolving blockers, and escalating delivery or quality issues with clear context.
- Reduced equipment downtime by up to 20% by driving customer adoption of annual maintenance contracts and proactive service scheduling.
- Owned order placement, site readiness, vendor coordination, field installation, and post-deployment validation for customer deployments.
- Tracked and reconciled hardware and parts orders across supply chain and factory teams, catching discrepancies early to prevent customer impact.
- Led prototype testing for a new Caterpillar product, coordinating engineering, supply chain, and customer teams through the evaluation cycle.
- Prepared technical quotations, SOW-aligned proposals, audit reports, and CRM-based account insights for Account Managers and leadership.

Design & Rapid Prototyping Intern | Maker Global - 3D Printing, India | Dec 2018 - May 2019

- Designed 3D models and engineering drawings in SolidWorks for clients across engineering, manufacturing, and architecture.

- Led a 5-person team to deliver a major client project under a tight deadline; awarded Best Intern 2019.

EDUCATION

Ontario College Graduate Certificate - Advanced Project Management & Strategic Leadership - Sault College of Applied Arts and Technology | Aug 2023 - May 2025

Bachelor of Technology, Mechanical Engineering - ICFAI Foundation for Higher Education | Aug 2015 - May 2019
